ASX/Media Announcement

Pioneer Completes $2.5 million Share Purchase Plan

The Board of Pioneer Resources Limited (ASX: PIO) is pleased to announce the completion of its Share Purchase Plan (“SPP”) which raised over $2.5 million.

As announced on 23 September 2010, the offer was significantly oversubscribed with applications received for over $3.4 million.

Pioneer’s Managing Director David Crook thanked Shareholders for demonstrating their ongoing support for the Company by participating so strongly in the SPP. “When combined with the recent placement to sophisticated investors the Company has raised over $3.6 million which is already being applied to drilling programs” he said.

A 30,000m drilling program at the Company’s highly prospective Mt Jewell Gold Project commenced earlier this month.

As stated in the conditions of the Share Purchase Plan the Directors in their absolute discretion could determine the final number of shares to be issued subject to the ASX Listing Rules.

The ASX Listing Rules restrict the number of shares that may be issued under an SPP to 30% of the Company’s issued capital. Accordingly, in the Company’s case a maximum of 83,713,424 could be issued.

Due to the very strong interest shown by eligible Shareholders, the Board has decided to accept the maximum number of subscriptions permitted under the ASX Listing Rules, and therefore has accepted applications for $2,511,403 at the issue offer price of 3 cents per share.

Applications have now been reviewed and in accordance with the terms and conditions of the SPP, applications were accepted and shares allocated at the absolute discretion of the Directors, but acceptances favoured applications received in date order, as announced on 26 August 2010 and advised to Shareholders on 1 September 2010.

The new shares under the SPP were allotted and issued by the Company’s share registry on Tuesday 28 September 2010. Dispatch of holding statements and refunds for unfilled applications will occur on or around Friday 1 October 2010, with trading on the ASX expected to commence on or around Monday 4 October 2010.

Following the completion of the SPP the Company has 400,614,885 ordinary shares on issue. An Appendix 3B is attached.

Yours faithfully

Managing Director
